# COMMUNION AMID DISAGREEMENT

(EVANGELII GAUDIUM 228)

Licentiate  
and Diploma in  
Interconfessional  
Theology

*in an ecumenical and  
communional perspective*

## COURSES ACTIVATED A.Y. 2022/23

**For a common re-reading of our history.**

**Historical-patristic Unit** (*Referees: L. de Palma, L. Vogel*)

- Pre-Chalcedonian Christologies and the path of the Ancient Oriental Churches; the crisis between Rome and Constantinople in 1054 and its interpretations; Orthodoxy and Catholicism in the second millennium
- The reception of the Church Fathers in Catholic, Orthodox and Protestant theology
- Crisis in the Western Church in the Modern Age
- Anglicanism: catholicity and State Church

**Facing the Word of God. Biblical-fundamental Unit** (*Referees S. Gaburro, E. Noffke*)

- The biblical text and hermeneutics
- The impulse of messianisms
- Revelation and Tradition
- Christian denominations in the face of religions

**The one mystery, in different perspectives.**

**Doctrinal-dogmatic unit** (*Referees: F. Ferrario*)

- The God of Jesus Christ and the Easter event
- The redeemed human being: justification and divinization
- Future of the human being and the cosmos: eschatology in an interconfessional perspective

**Seminar:** Reading and analysing ecumenical documents. Emerging paradigms

*"Searching and exploring every opportunity for dialogue is not just a way to live or coexist, but rather an educational criterion. In this sense, the course of studies in interconfessional theology inaugurated in this University finds its rightful place. Go ahead with courage. We very much need men of faith who educate in true dialogue, using every possibility and opportunity"* (Pope Francis at the Lateran University, October 31, 2019).

## COURSES PLANNED A.Y. 2023/24

**Life in Christ: Christian existence as spiritual worship. Spiritual-liturgical unit** (*Referees: A. Lameri, M. Kelli*)

- The liturgy source and summit of the Church's action: faith, celebration, life in the different Christian traditions
- Liturgical life, spiritual path and forms of mysticism in the Christian experience of East and West
- Evangelical radicalism: monasticism and new community forms
- The Mother of God in ecumenical perspective

**From faith to action. Ethical-moral unit** (*Referees: A. Amarante, B. Petrà*)

- Christocentric anthropological foundations of Christian moral life (fundamental morality)
- Human rights, participation, common good (social and family morality)
- The value of human life. (Bioethics)
- Integral ecology

**Christians in a global, multi-religious and multi-cultural world. Missionary unit** (*Referees: H. Blaumeiser, G. Marani*)

- Church in synodal style in today's plural context: from the experience of *Christianitas* to the culture of encounter and dialogue
- Evangelisation of society and culture: approaches and paths
- Facing the challenges of inculturation and interculturalism

**Seminar:** Synodality and Ministries

**All Professors and students will belong to the different Christian confessions.  
The courses will be held in Italian.**
